THE MINISTER OF STATE IN THE
MINISTRY OF ROAD TRANSPORT AND HIGHWAYS

(SHRI PON. RADHAKRISHNAN)

(a) to (d) Techno Economic Feasibility Study report of the proposed Anantapur-Amravati Expressway has been submitted by the Government of Andhra Pradesh for declaration as National Expressway. Kurnool to Dornala stretch has been declared as National Highway No. 340C and Detailed Project Report (DPR) for the stretch is under progress by National Highways Authority of India (NHAI). It is too early to indicate the likely time by which the construction work will be started and completed on the above projects.
